

Julio's

TEX • MEX

JULIO — man, myth, hero, food & wine connoisseur, workhorse, prankster, the people's champ, fictitious character — it depends on who you ask. But one thing is for sure... the man had a knack for creating delicious Tex-Mex. Never known to turn down a fresh margarita or a stiff tequila, he brought a rare gusto to each dish and every endeavor. A certain spiciness to all encounters.
His legacy lives on here. Savor the flavor, mi amigos.
